- Cumulative GPA: 3.59/4.0

Balikpapan, Indonesia  
Aug 2022 — Apr 2025

## WORK EXPERIENCE

**Web Developer Intern**  
PT Komatsu Remanufacturing Asia

- Developed the web version of Employee Information System (EIS) using PHP Laravel to reach users without mobile access
- Built responsive web interfaces mirroring mobile app functionality for Attendance, Reimbursement, and Time Management features
- Collaborated with Agile teams, participating in Scrum ceremonies like daily stand-ups and sprint reviews
- Supported the company's digitalization initiative by extending the EIS platform to web users

Jul 2025 — Dec 2025  
Balikpapan, Indonesia

**UI/UX Design Intern**  
PT Komatsu Remanufacturing Asia

- Designed mobile and web interfaces for Employee Information System (EIS) supporting 700+ employees across departments
- Applied Design Sprint for Mobile and Lean UX methodologies for Website to iterate quickly on designs
- Conducted stakeholder interviews and usability testing sessions to gather feedback and validate designs
- Created user flows, wireframes, and high-fidelity prototypes using Figma for Attendance (Face Recognition), Reimbursement, and Time Management features

Jan 2025 — Jun 2025  
Balikpapan, Indonesia

**Freelance Web Developer**  
Sweetelle

- Developed a modern website for showcasing cake recipes and facilitating online cake sales using Laravel
- Implemented recipe management and categorization features with a clean, intuitive browsing interface
- Built a cashier system and asset CRUD functionality to support business operations

Dec 2024 — Jan 2025  
Balikpapan, Indonesia

**Teaching Assistant**  
Institut Teknologi Kalimantan

- Taught programming fundamentals across multiple courses: Basic Algorithm (Python), Basic Programming (JavaScript), OOP (PHP), Web Development (Laravel), and Cloud Computing (Laravel + Docker)
- Instructed networking concepts including IP addressing, subnetting, routing, and VLAN configuration using Cisco Packet Tracer
- Guided students in Ubuntu Operating System, covering Linux commands and system management
- Provided hands-on sessions, feedback on assignments, and conducted evaluations to monitor student progress

Jan 2024 — Dec 2025  
Balikpapan, Indonesia
